THOMAS B. HARTMANN
HEADMASTER

February 5, 1962

Dear Class of 1962:

More is happening in American education at this time than ever before in the history of the nation. You, as a class, are caught up in rapid changes in education, and you will probably continue to feel the impact of many of the new ideas and concepts throughout your college careers. This means that you will be one of the first groups which will graduate from college and enter your professional lives having had some of these changes thrust upon you. It has not been easy, that is certain. On the other hand, it seems to me that this offers you a type of challenge which Americans like to have.

It probably would have been much more pleasant for you to have received your education in a very stable situation so that you could predict from day to day what was going to happen. You should be better for your experience. I know you have suffered some disappointments, but on the whole I believe you have stood up well under the pressures involved.

I have a great deal of confidence in what you, as a class, and what you, as individuals, will produce in the future. There is still more excitement ahead. All I ask is that you take advantage of this excitement so that your contributions will be good ones.

Thank you for being such an interesting group. Don't for a minute believe that any of us have not benefitted from having associated with you - just the opposite is true.

Best of luck to you in a changing world and one in which you must take a real part.

Sincerely,

Thomas B. Hartmann

Dedication

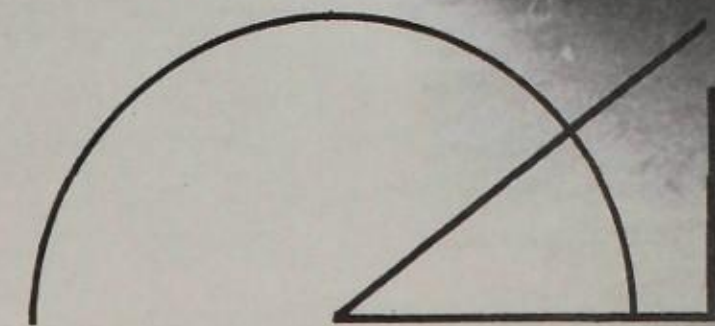

For his understanding,
patience, guidance,
and active participation
in every phase of campus life

UNDERCLASSMEN

Junior Class

JUNIOR CLASS OFFICERS: Secretary-Treasurer, Larry Anderson; Vice-President, Russell Reed; President, George Basham.

The Junior class, known for its drive in everything it endeavors, upheld its reputation during 1961-62.

The class' dance was indicative of its initiative. A Roman festival, it was strikingly different from anything seen before. Despite protests that the dance was "all wet," most Marksmen left dry and enthralled.

The class went roamin' that night only. The rest of the year the Juniors established definite places in school activities. Leadership came from Juniors in the Student Council, while others participated in the Drama Club, Glee Club, Art Club, Outing Club, and Band. Athletic teams depended upon Juniors. The football, cross-country, basketball, and soccer teams drew upon Junior talent while the eleventh graders constituted the nucleus of the tennis and baseball squads. The Class of '63 can even boast a rodeo star in its midst.

Participation in extracurricular activities failed to prevent several Juniors from maintaining honor roll standing. Many more exercised their intellectual powers in the Spanish and French Clubs and the ReMarker.

The Class of '63, endowed with leadership and talent, eagerly awaits its senior year when it expects to lead St. Mark's to a greater and more productive future.

Sophomore Class

SOPHOMORE CLASS OFFICERS: Secretary-Treasurer, Ken Hicks; Vice-President, John Muir; President, Marvin Moore.

Scholastic and athletic excellence were indeed part of the Class of '64 at St. Mark's, for the class was characterized by participation in all phases of school life.

As men of letters, the Sophomores boasted high grade averages, and held key positions on the *ReMarker* and the literary magazine.

In athletics, the Sophomores were stand-outs in all sports. Sophs started on the football, cross-country, soccer, and wrestling squads in the winter, and also made the varsity track, golf, basketball, tennis, and baseball teams.

Leading roles were held by members of the Sophomore Class in the Drama Club production of *Twelve Angry Men*.

Sophomores displayed their musical prowess in the Glee Club, band, and the Talent Show.

The Sophomores' versatility and major contributions to the St. Mark's community have paid off in dividends benefiting the entire school this year.

Freshman Class

FRESHMAN CLASS OFFICERS: President, Tom Amis; Vice-President, Paul Munves.

The initiative and school spirit of the Class of '65 helped the Freshmen make lasting contributions this year in all areas of the school.

The Frosh were active in the band and Drama Club and were charter members of St. Mark's chess and debate clubs.

At the Talent Show, the ninth grade skit furnished a comeback for the legendary Casey-at-the-bat. Carrying through this theme of athletic proficiency, the Freshman football, soccer, and basketball teams all sported winning records this year. A dummy hung in effigy and a mock queen-crowning ceremony were highlights of Freshman Day and the Homecoming Game festivities.

Freshmen regularly attained honor roll status, and contributed to the *ReMarker* and the literary magazine.

As Upper Schoolers for the first time, the Class of '65 has shown promise of accepting responsibility and should be able to supply the leadership necessary to make the succeeding years even more successful than this one.

CUM LAUDE

The St. Mark's Cum Laude Society Chapter was formed two years ago with the presentation of its charter. The counterpart of Phi Beta Kappa, the Society consists of two hundred member schools of high calibre. Membership is limited to the top twenty percent of a senior class. Half of the members may be admitted at the end of their junior year while the rest are notified upon completion of their senior year. The St. Mark's chapter is governed by the faculty board which considers student membership on the basis of scholastic achievement.

DRAMA CLUB

The Drama Club, one of the most popular organizations on campus, has enjoyed one of its most successful years. Under the able direction of Mr. Berrisford and Mr. Morgan and co-presidents, seniors Allen Rozelle and Lewis MacAdams, two productions were presented. Performed during near blizzard conditions, "Twelve Angry Men" played to packed houses at both performances. The leading parts went to John Godfrey, Mike Wolfram, Ken Hicks, and seniors Chuck Gottlich and Louis André Gerard-Varet. Earlier in the year the club chose to present Agatha Christie's "The Mousetrap," but complications arose, and the idea was dropped.

For the larger spring production, two plays were selected as possibilities, "Cyrano de Bergerac" by Edmond Rostand and "The Inspector General" by Gogol. The latter was chosen by a unanimous vote.

When the cast was selected, Lewis MacAdams got the role of the mayor while Don Lively and Bill Scaggs were given the parts of Hleskatov and Flippovitch. Juniors Tom Beard and Jim Cogar were cast as Lukitch and the postmaster.

Credit goes to Jack Blocker for his stage work and to Chris May for the lighting effects. Despite the fact that not every member could participate actively, the theatrical atmosphere which pervaded both plays was enjoyed by all.

The St. Mark's Varsity of 1961 will be remembered as one of the most spirited, if not the most successful Lion squad in recent years. Compiling a 4-4-1 record, the team ended the season against archrivals Casady with a tie.

The season began with Jesuit on September 8, at Bailey Field. The largest crowd of the year watched as the highly touted Jesuit eleven capitalized on St. Mark's miscues in the first-half to win going away, 24-0.

The next week, the Lions exhibited their own scoring punch by defeating Masonic Home. St. Mark's opened conference with Lutheran on September 27, and vanquished the Pioneers from Houston, 37-8. Following a loss to Kinkaid, the Lions crushed St. Stephen's, 30-0, to bring their conference record to 2-1.

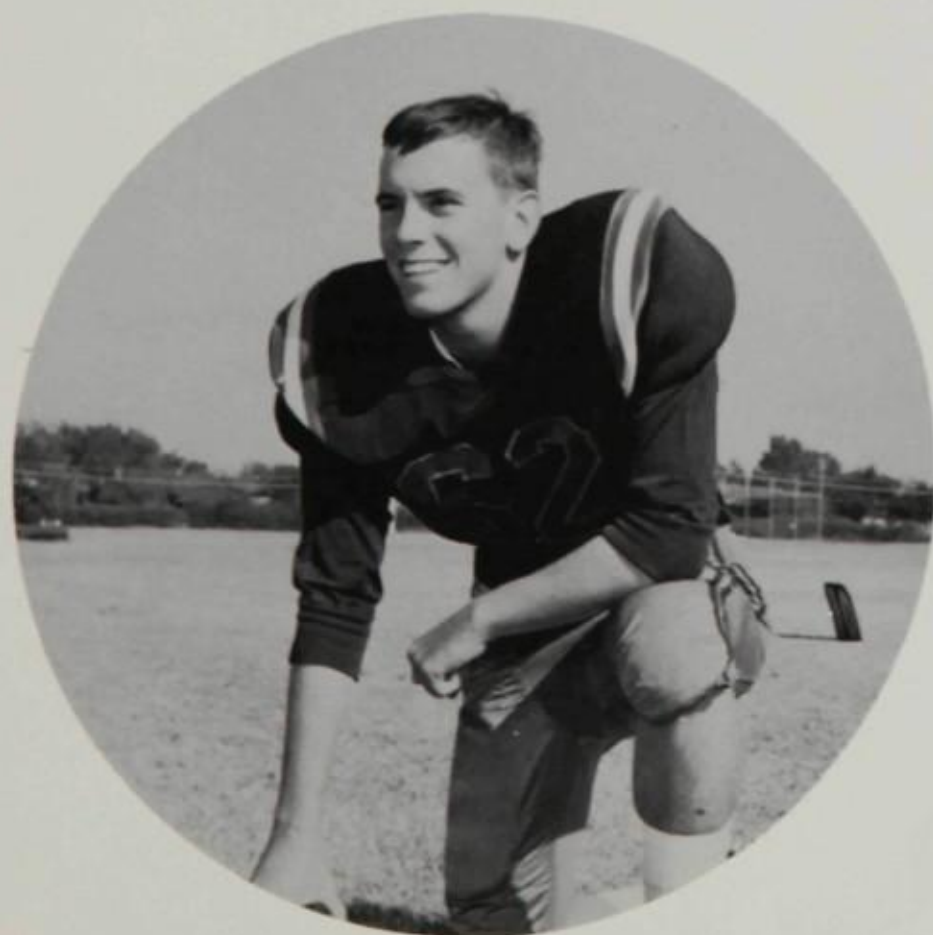

After a two-week respite, St. Mark's lost to St. John's, 13-0, the eventual conference champion.

With their hopes for the Conference title dashed, the Lions challenged Waco Reicher in a non-conference battle. In the waning seconds of the game, the Reicher quarterback connected on a desperation pass to clinch the victory.

One non-conference clash remained against Godley before closing the season against Casady. The Lions downed Godley and tied the Cyclones, 6-6. Guard John Baxter and half-back Bill Delafield were named to the All-Conference team with Phil Rader and Doug Owen making the second team. Harry Hammonds received Honorable Mention and Delafield was later honored with a position on the All-Greater-Dallas second team.

BASKETBALL

Flynn, Muir, Addington, MacAdams, Bedell, Tomlin, Manager Knox, Rader, Swift, Donnally, Goscin, Owen, Coach Blakeley.

The St. Mark's Lions returned home from Houston on February 18th at the end of their most successful season in history. The Lions compiled a thirty wins, seven loss record for the year, thus becoming the first basketball team in St. Mark's history to win thirty games. They lengthened their conference victory skein to twelve games, taking their second straight S.P.C. crown in the process. They were also the highest scoring team in the school's history.

In the third game with Duncanville, the Lions were down by fifteen points at the half. The pattern for the entire season was set in the second half as the inspired team tied Duncanville in regular play and beat them in overtime.

In the Plano Tournament in November, the Lions took third place, and George Bedell made All-Tournament.

After victories for the second time over Mesquite and Plano, the Lions entered the Richardson tournament. Following a loss to Richardson in the third game, the Lions came from behind to beat Eastern Hills of Ft. Worth for third place. Lewis MacAdams made All-Tournament.

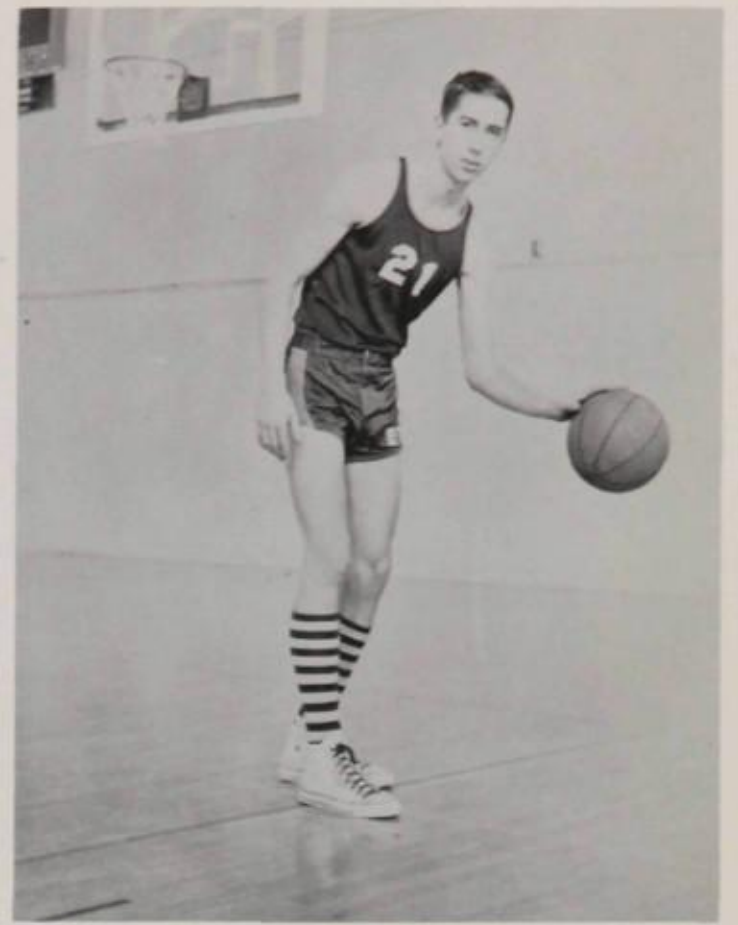

Over Christmas vacation, the Lions played in the Cotton Bowl tournament, where they whipped Crozier Tech, but fell to Woodrow Wilson by one point. The next day the Lions opened the Carrollton Tournament with a win over Plano. St. Mark's won the tournament easily downing Carrollton by 25 points in the finals.

The Lions set a state scoring record by breaking 100 points in two consecutive games, defeating Cedar Hill 106-44 and Greenhill 102-37.

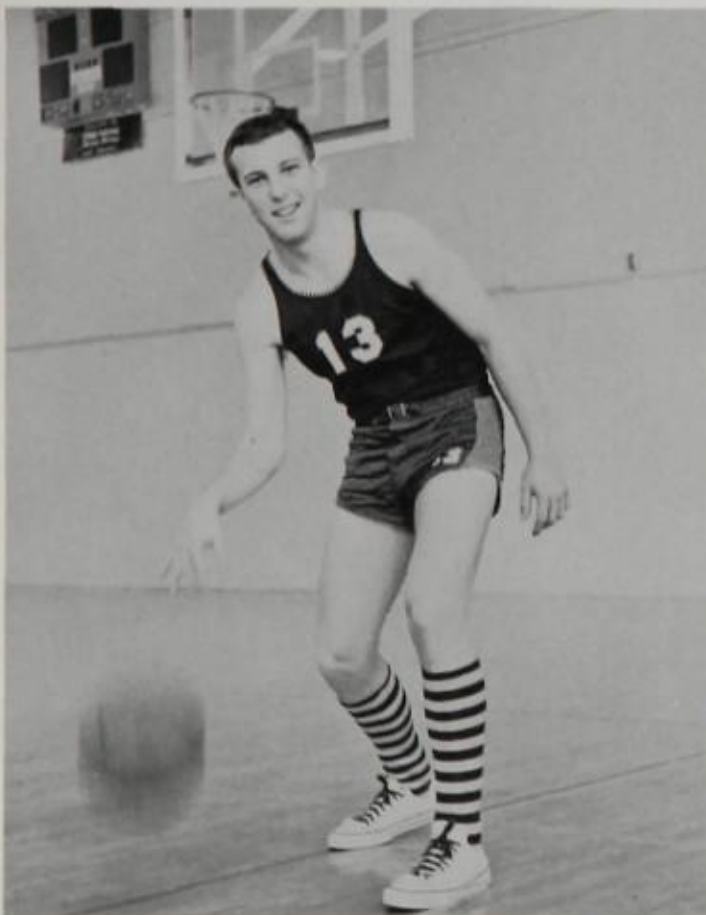

A week later, the cagers journeyed to Oklahoma City where they had little trouble defeating Casady and St. Stephen's to win the North Zone Championship for the third straight year.

Two victories over Rockwall and Laneri prepared the Lions for the conference tournament in Houston. Defending their title, the Lions squelched St. John's, Kinkaid, and Lutheran to take their second conference crown in two years. George Bedell became the first sophomore in school history to make All-Conference. Seniors Bobby Flynn and Lewis MacAdams were voted Honorable Mention.

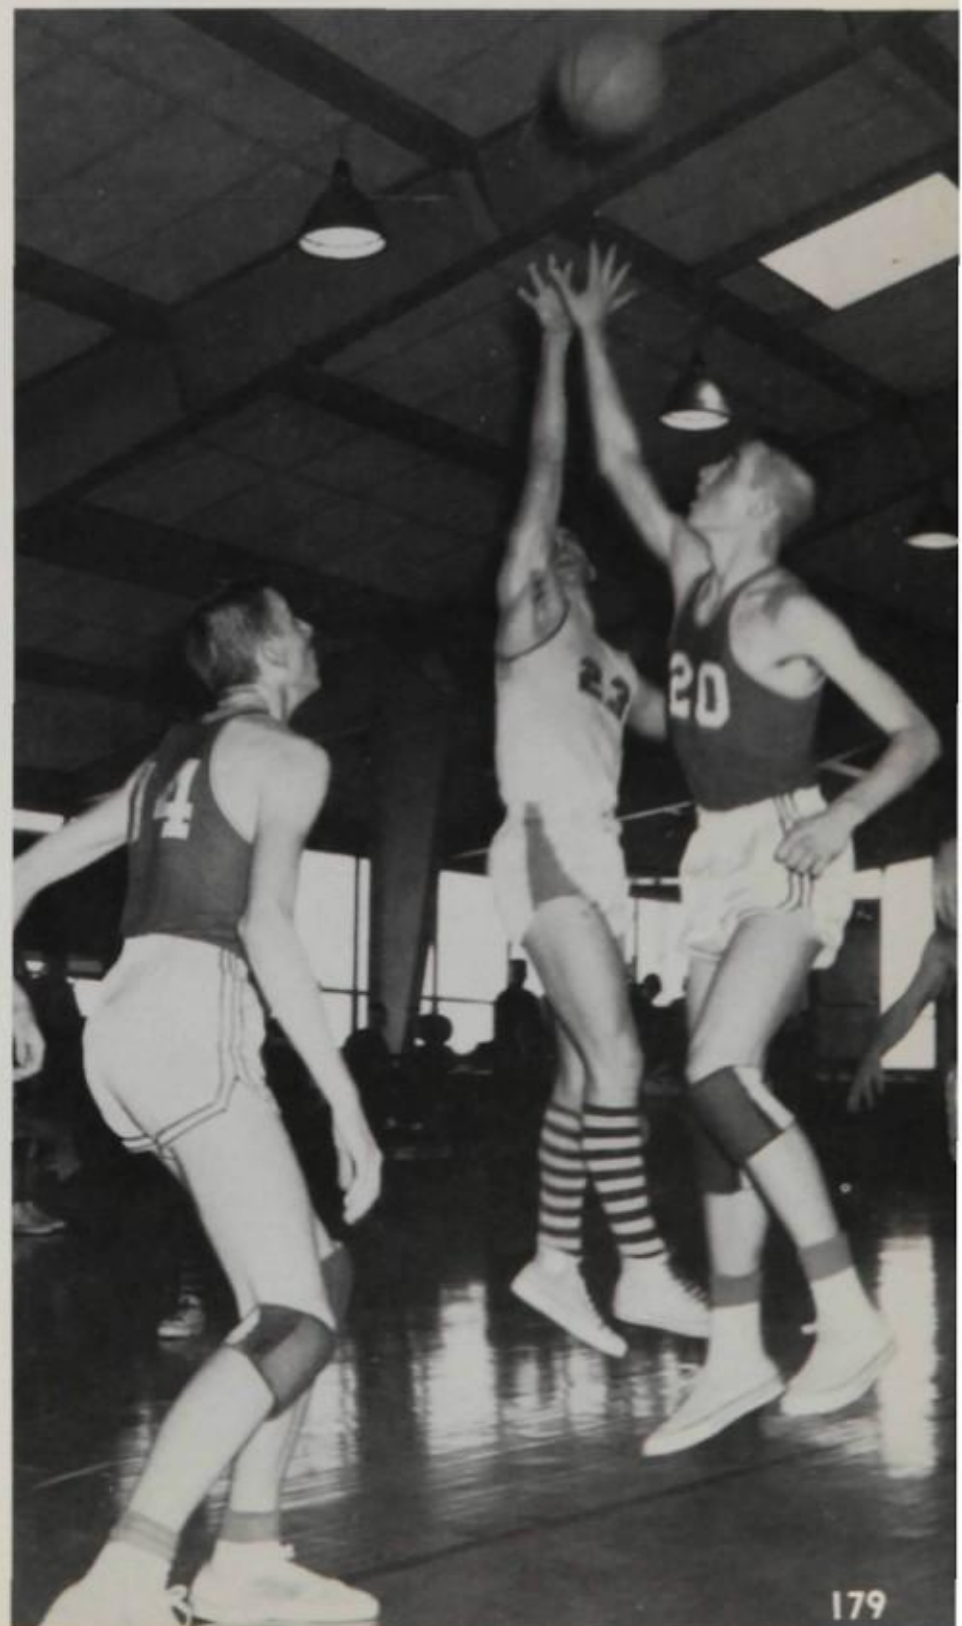

In points this year, the well-rounded, high-scoring Lions had four players who averaged in double figures. MacAdams broke the school scoring records for one season and career total, and George Bedell became the highest scoring sophomore in the St. Mark's cage annals.

DAVID WAGGONER
CAPTAIN

The St. Mark's cross-country team finished the 1961 season with an unblemished record, going undefeated in four dual meets. Opening the season in October with the Arlington Heights Invitational, the Lions placed third. Victories against Arlington and at the University of Texas Invitational followed in rapid succession.

Merely delayed by a fourth place showing against five AAAA teams in a Kiest Park meet, the Lions bounced back in fine style by winning the Kimball Invitational among AA and A class schools. Sophomore Marvin Moore placed first and in doing so set a course record for the division. Terry Smith, David Waggoner, and Dan Lane all finished in the top seven.

Following a dual meet with Jesuit, the team went to Austin for the State meet, where they placed a disappointing tenth. Two weeks later, the Lions staged a comeback by copping an impressive sixth place against all the squads in the Dallas area.

A victory at Conference over St. John's vaunting Rebels ended one of the most successful cross-country seasons in St. Mark's history.

Captain Scaggs, Coach Berrisford, Captain Shelton, Coach North.

The soccer team's hard work this year ultimately paid off with the conference co-championship. Starting as early as October, the team improved steadily and succumbed to only one defeat during the entire season, that being to Thomas Jefferson.

Under the guidance of Coach Ludlow North, this year's team proved to be the best in the school's history. It defeated Casady for the first time in five years and was acknowledged by all to be the most polished of the high school teams in Dallas as well as in the conference.

Under the leadership of captains Bill Scaggs and Jim Shelton, the Lions not only defeated Casady soundly (2-0) but also downed Kinkaid and Lutheran by scores of 3-1 and 6-0, respectively. In other conference play, the game with St. Johns turned out to be the only disappointment for the tired Lions. The game had to be extended to include an overtime period, but the score remained a tie, 0-0, making St. Mark's co-conference champions for 1962.

The season record was 7-1-1.
